SPACIOUS URBAN LIVING, SURROUNDED BY NATURE

Greystone Village's Brantwood Collection Detached Homes are perfect for urbanites in search of a spacious lifestyle. Brantwood homes feature grand, modern-style exteriors and sumptuously-appointed open-concept interiors inspired by colours and textures found in nature. Couples and growing families alike will love the airy, open feel of these homes. All homes in the Brantwood Collection have large terraces and supremely manicured frontage overlooking lush park space, so you can be surrounded by nature each and every day.
